The 1992 Maple Leafs had great success, getting State Runner-Up, so the 1993 team had big shoes to fill. The Green Machine started the season against Galesburg and won 46-12. With a good start Geneseo then went to Rock Falls for a 56-0 win. The Leafs then went to Alleman to win a 60-0 blowout. The team continued cruising to a 49-7 win over Streator. They beat Ottawa the following week and followed up with a win against Sterling. The offense was like no other in Geneseo. They averaged close to 50 points a game in the regular season. The defense only allowed 16 points twice as the high score. They finished the regular season undefeated and won four commanding games against Peoria (Richwoods) 30-6, Peoria (Manual) 35-12, Springfield 20-3, and Jerseyville 60-13. This brought them to their second consecutive State Championship game. They played valiantly but fell short to Chicago Heights Marian, 13-6. This team put together a great run. As seniors they only lost two games in their varsity career.
